UNIVERSITY OF MIAMI PRE-COLLEGE

Student Responsibilities, Rules, and Policies

As a participant in the University of Miami Pre-College Program (Summer Scholars Program (SSP) or UM Academies Program), students also become a member of the University of Miami community. By becoming a member of the University of Miami community a student acquires rights in, as well as responsibilities to, the whole University community.

These rights and responsibilities are defined within this document in combination with the University of Miami Student's Rights and Responsibilities Policies found [here](#).

Students are responsible for knowing and adhering to University of Miami Pre-College Student's Rights and Responsibilities Policies. The below policies will be reviewed in detail at the mandatory Pre-College Student Orientation.

If there are conduct/behavioral issues, the parents will be contacted. The students involved in a policy of Honor Code violation will face disciplinary action and the sanctions could be dismissal and removal from the Program. Fees will not be refunded and credit will not be awarded. Departure arrangements must be made by, and at the expense of the parent/guardian within 24 hours of notice.

HONOR CODE

Pre-College students are expected to abide by the University of Miami Undergraduate Honor Code, which provides the standards for ethical academic behavior and imposes penalties for violations of such standards.

Academic honesty is required of all students. Upon submitting academic work in writing, online, or in person, a student is declaring that work to be a product of their own thoughts and study, stated in their own words, and produced without assistance with the exception of proper citation of and reference to academic sources or other appropriate sources. Engaging in academic misconduct may result in failing an assignment, failing a course or program, and/or possible dismissal from the program without refund.

Students are expected to read and abide by the Honor Code found [here](#) (**Zero Tolerance Policy**).

ALCOHOL & DRUGS

The University has established policies and regulations which adhere to applicable federal laws and Florida statutes. The University is 100% smoke and tobacco free. Regardless of a student's age or the location of the Program (e.g. on campus, in residential halls, on field trips, etc.), Pre-College students may not possess or consume any alcohol, tobacco, e-cigarettes, personal vaporizer/vapor cigarettes, medications not prescribed to the student by a licensed medical professional, or illegal substances or paraphernalia while participating in the Program. The possession (including the presence of a substance), manufacture, distribution, use, sale, or abuse of illegal drugs on any portion of the University's premises is strictly prohibited. Students are subject to disciplinary action if found in violation. Parents/guardians will be notified and students will be immediately removed from the Program (**Zero Tolerance Policy**).

Students are permitted to have medication prescribed by their own physician and should inform the Pre-College Program Office if they need any clarification on the policy.

HEALTH INSURANCE

All students, including international, **must** have active health insurance to attend the program. Students will be required to submit proof of insurance before arriving on campus. Each student must bring a copy of their insurance information as they will be responsible for providing their insurance and billing information at patient intake, and responsible for subsequent medical bills.

NOISE & NUISANCE

Students and their guests are prohibited from activity creating any form of disturbance that is believed to be in violation of the ordinances in the City of Coral Gables, South Miami, or other municipality of record. Reasonable quiet hours are expected at all times in all areas of campus. Quiet hours begin at 10 PM each night. Noise should be kept to a minimum level 24 hours a day and should cease after 10 PM.

Food must be scheduled to arrive before 9:30 PM at the residence hall and students must retrieve their own food order. Staff members will not be permitted to collect or deliver students' food orders. Food delivered after 9:45 PM will be forfeited and students will not be reimbursed for any food that has been forfeited due to late arrival.

COMMUTER STUDENTS

When classes are not in session, parents/guardians are responsible for their commuter students if they are not using a campus facility, are not at a Pre-College event or program on campus, or on a Pre-College program field trip.

LAKE OSCEOLA OR CAMPUS WATERWAYS.

No water activities, including, but not limited to, swimming, fishing, etc in Lake Osceola or the adjacent waterways is strictly prohibited.

This includes, but is not limited to, leaving campus with parents/guardians, family members, friends, other students, and ride-shares (**Zero Tolerance Policy**). Attendance is part of the student's grade. To ensure academic success and community building, which is achieved through time spent on campus, evening and weekend sign-out requests will not be approved unless there is an extreme circumstance or special need (i.e. family emergency, observing religious holy days). Requests should be sent via email to precollege@miami.edu and must be received by **Friday, June 21**. Requests after this date will not be considered.

Sign-out requests for ACT/SAT testing will not be approved. Medical appointments should not be scheduled during the duration of the Program. **Class attendance is mandatory and part of the student's grades.**

Requests that are extreme circumstances or special needs require advance written notice to the Pre-College Program staff. Requests should be sent via email to precollege@miami.edu

Parents/guardians are not permitted to sign out a student that is not their dependent. **A student is only authorized to leave once the Pre-College Office sends the student's parent/guardian a confirmation via email.** Please note that students must return to campus by 9 PM the same day.

By accepting admission into this Program, the student is agreeing to solely commit for the duration of the Program and forego any other outside commitments. Residential students are not permitted to be signed out for the following: academic testing, sports practices, work, internship, clubs, competitions, outside academics, etc.

PARKING & TRANSPORTATION

Commuter students are responsible for transportation to/from campus. Commuter students are permitted to have their cars, bicycles, or scooters on campus and must follow [University Parking Policies & Procedures](#).

Residential students are not permitted to have their cars on campus and are not permitted to travel in commuter students' vehicles (**Zero Tolerance Policy**).

All bicycles and scooters are required to be registered with the University of Miami Police Department (UMPD) as part of the Bicycle Safety Program. Students are not permitted to repair damaged University property. All damaged University property must be reported to Pre-College staff and Conference Housing immediately. Arrangements for necessary repairs and assessed charges, when appropriate, will be made by Conference Housing and subsequently charged to the individual(s) account(s). EMERGENCY MANAGEMENT

If the University anticipates impacts from a Category 1 or greater storm, program participants will need to make their own arrangements to evacuate the campus and return home. In the event of Category 1 or greater storm, parents/guardians for all participants will be notified that an evacuation is being ordered and are expected to arrange transportation for their student.

Program communications will be sent to the parent/guardian's email provided in the student's application. Parents and guardians are encouraged to opt-in to receive University of Miami Emergency Notification Network (ENN messages) [here](#).

The University will make reasonable efforts to complete the program remotely depending on the extent of impacts from the storm.

CELL PHONES AND CAMERAS

Students are not permitted to photograph or record in bathrooms or changing areas. Additionally, students should not record other students, staff, or faculty without their consent. [Florida Statute 934.03 regulates the recording of conversations in Florida](#)

Skateboarding, roller skating, rollerblading, hoverboards, and the use of scooters is prohibited inside University housing buildings, hallways, common spaces or apartments.

HALL SPORTS/ACTIVITIES

Students may not engage in any sport or sport related activities within University housing rooms/apartments, lounges, hallways, stairwells, or other public areas. Sports or sports related activities include, but are not limited to: Frisbee, floor hockey, golf, bowling, football, soccer, baseball, rollerblading/skating, scooters and basketball. Students may not engage in chaotic collective behavior. Students may not use food as projectiles. Also, students may not use foam or projectile style toy guns or any other device that resembles a weapon.

WINDOWS AND EXTERIORS OF RESIDENTIAL BUILDINGS

Objects shall not be thrown from any window, doorway, landing, or stairwell. No object or material may be placed in, on, or hung from, in front of, or behind windows which block transparency or alters the appearance of the windows or the exterior of the building. Also, no object (e.g., signs, banners, aluminum foil, towels, sheets, ropes, wires, etc.) may be placed on the exterior of the building. Students shall not utilize windows as a form of communication with students/staff in other rooms or programs.

ROOM ACCESS/ADDITIONAL HOUSING CHARGES

Residential students will access their room using their Cane Card (student ID). If students lose their Cane Card, they should immediately alert the front desk and request a new Cane Card from the Cane Central building (open during business hours) for a fee of \$25. If the student's Cane Card is lost after business hours, the student can receive a temporary room access card from the front desk. Upon receiving a new Cane Card, students need to have their access reinstated at the front desk and must return their temporary room access room card.

- Lost/Unreturned Room Access Card Fee: \$75*
- Students who are locked out of their room will incur a charge of \$25 for each lockout.*
- Students are responsible for reporting any damages or situations where deep cleaning is necessary. A Cleaning Charge \$200.00* max per room, assessed after use if necessary. If individual responsibility for damages, over and above normal wear and tear, cannot be determined, the guests assigned to the damaged room will be assessed equally.
- Missing Linens: If linens are missing at the conclusion of the Program, students will be charged a per item fee. Fees will be split equally between roommates.

**Fees are determined by the Housing Department and are subject to change.*

Any additional fees incurred during the Pre-College Program will be charged to the student's account and visible on CaneLink. The balance must be paid-in full before grade reports/transcripts are released. Unpaid fees will follow UM's collection policy and procedure. Please be aware that due to the nature of the reconciliation process, housing fees may not appear on your student account until September after the program has concluded.

'CANE CARD (Student ID)

The University of Miami provides each student with one identification card. The 'Cane Card gives students access to buildings such as the residential hall (residential students), classrooms, Otto G. Richter library, computer laboratories, and the Wellness Center (gym). The Cane Card is required to be carried at all times and students must be prepared to show it if asked by a University official. Refusal to show proper ID when requested violates University policy.

Lost or stolen cards should be reported immediately to be deactivated to prevent them from being used by unauthorized persons. A \$25 replacement fee will be charged to the student's CaneLink account for replacement of a lost ID card. Financial holds are placed on accounts with an unpaid balance and can prevent the release of transcripts.

ID cards can be kept at the end of the Program. Should the Pre-College student become an undergraduate at UM, the student will not receive a new 'Cane ID but will continue to use the ID from the Pre-College Program.

Students will receive instructions to their Program application email address and University of Miami email address on how to upload a picture for their 'Cane Card. Photos should be submitted not later than **May 31, 2025**. Please follow the instructions carefully to ensure your 'Cane Card will be printed and available at student check-in.

ACADEMICS/GRADES

Students in the Summer Scholars Three-Week Credit Program are enrolled in credit courses. Students earn college credit upon successful completion of the course. Their official academic record at the University of Miami will include classes taken, grades earned, and grade point average (semester average and cumulative average). Grades earned during the program will be included in the calculation of the student's overall academic record should they gain entrance to the University as an undergraduate student.

Students enrolled in the UM Academies Two-Week Non-Credit Program will earn a mark of "Satisfactory" or "Unsatisfactory" which will be part of their academic record.

HOLDS/STUDENT RECORDS

The Pre-College department and the Summer Scholars Program have the ability to put holds on student records. These holds can be financial, academic or disciplinary in nature and may delay a student's ability to register and/or to receive an official transcript. Holds on a student's record normally require action on the part of the student, i.e., a payment, completion of paperwork and/or disciplinary sanctions, etc. Specific information on a hold and what is required to remove it can be obtained from the Pre-College department.

ATTENDANCE

Pre-College students should be focused and prepared to apply themselves academically. Class attendance is mandatory and part of the student's grades. Coverage of class material will be intense and absence would cause a student to fall behind in a course or program.

Students must attend and report on time to all of their classes and curricular events and activities as stipulated in their program or course syllabus. This applies not only to class time but to group projects, discussion sections, guest speakers, information sessions/activities, projects, homework, study sessions, office hours, and mentor meetings. Students will also be expected to actively participate in academic discussions and activities and visit professors during office hours when needed. Students should plan for coursework in the evenings after class and on weekends.

INCLUSION

The University of Miami embraces diversity and situates our students within a unique academic and social environment. University of Miami students enjoy the right to learn, both within and outside of the classroom. The University of Miami does not discriminate on the basis of race, color, religion, sex (including pregnancy), sexual orientation, gender identity or expression, genetic information, national origin, age, disability, marital status, familial status, or other prohibited classification, in its programs and activities, regardless of whether such program or activity occurs on or off-campus.

STUDENT ENRICHMENT

Evening and weekend activities have been planned to enhance the students' overall experience. To promote community building, students are strongly encouraged to be present and actively engage in evening enrichment activities. Activities are designed for students to interact with and become acquainted with the diverse Pre-College and University of Miami communities.

The individual student experience will be shaped by activity choices and level of involvement. Parents/guardians of commuters are encouraged to be flexible and accommodate class study groups and social activities. Students and parents/guardians will be presented with a calendar of activities prior to the start of the Program.

Hurricane and Tropical Storm Preparedness Form

The University will monitor weather systems and take appropriate action to ensure everyone's safety.

Hurricanes (Category 1 or greater): Evacuation will be ordered.

Tropical Storms: Decisions on closures/evacuations will be made based on the storm's impact.

Program participants and their parents/guardians will be notified that an evacuation is being ordered and are expected to arrange transportation for their student. Program communications will be sent to the parent/guardian's email provided in the student's application.

In the event of a shelter-in-place order issued by the University, students are required to remain on campus and follow all safety instructions provided by the University of Miami Precollege and Emergency staff.

Stay Informed:

Monitor forecasts and University advisories (ENN alerts, emails, website).

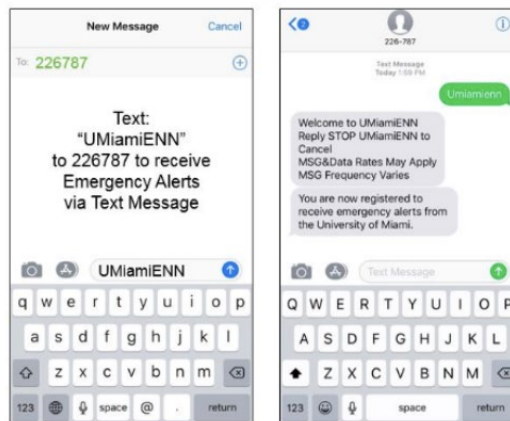

Parents and guardians are encouraged to opt-in to receive University of Miami Emergency Notification Network (ENN) messages at <https://prepare.miami.edu/enn/faqs/index.html>

Can parents register to receive ENN messages?

Only students, faculty and staff with active CaneLink and Workday accounts are entered into the ENN system's primary notification methods (text, voice calling, and email). Allowing parents or the general public to register could potentially slow the overall speed at which the system sends messages.

However, parents and/or family members may opt-in to receive ENN text messages by following these steps on any mobile phone with texting capability:

1. Enter the number "226787" in the "To:" field (i.e., who you are sending the text to).
2. Enter "UMiamiENN" as the text content and hit the send button.
3. You should receive a reply shortly after sending that says "Welcome to UMiamiENN."

By signing below, I acknowledge that I have read and understood all of the information presented in the *Hurricane & Tropical Storm Preparedness Form*. I understand that it is my responsibility to make arrangements for my son/daughter in the event of inclement weather.

I understand and agree that PADI Members ("Members"), including Sea Experience, Inc., and/or any individual PADI Instructors and Divemasters associated with the program in which I am participating, are licensed to use various PADI Trademarks and to conduct PADI training, but are not agents, employees or franchisees of PADI Americas, Inc., or its parent, subsidiary and affiliated corporations ("PADI"). I further understand that Member business activities are independent, and are neither owned nor operated by PADI, and that while PADI establishes the standards for PADI diver training programs, it is not responsible for, nor does it have the right to control, the operation of the Members' business activities and the day-to-day conduct of PADI programs and supervision of divers by the Members or their associated staff. Liability Release and Assumption of Risk Agreement

I, _____ (Snorkeler/Passenger), hereby affirm that I thoroughly understand the inherent hazards of snorkeling and those hazards occurring during boat travel to and from the dive site and while at the site (hereinafter collectively "Excursion"), and that these inherent hazards may result in serious injury or death.

I understand these inherent risks include, but are not limited to, drowning; possible transmission of infection disease(s); slipping or falling while on board, being cut or struck by a boat while in the water, injuries occurring while getting on or off a boat, and other perils of the sea including harm caused by marine creatures; all of which can result in serious injury or death. I understand the Excursion will be conducted at a site that is remote, either by time or distance or both, from emergency medical facilities. I still choose to proceed with the Excursion. By signing this Agreement, I certify that I am fully aware of and expressly assume these and all other risks involved in making such a boat trip and snorkeling.

I understand and agree that neither Sea Experience, Inc., Sea Experience Charters nor Sea Experience Diving Schools; nor the dive professional(s); nor the crew or owner of the vessel; nor the vessel itself; nor the owners, officers, employees, agents, contractors or assigns of the above listed individuals and/or entities (hereinafter

“Released Parties”) may be held liable or responsible in any way for any personal injury, property damage, wrongful death or other damages to me or my family, estate, heirs or assigns that may occur as a result of my participation in this Excursion, or as a result of the negligence of any party, including the Released Parties, whether passive or active.

I affirm I am in good mental and physical fitness to participate in the Excursion. I further state that I am not under the influence of alcohol or any drugs that are contradicted to the Excursion. If I am taking medication, I affirm that I have seen a physician and have approval to participate in the Excursion while under the influence of the medication/drugs. I understand that snorkeling and boat travel are physically strenuous activities and that I will be exerting myself during this Excursion, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Release Parties responsible for the same.

I affirm it is my responsibility to inspect all of my equipment prior to the Excursion and that I should not snorkel if my equipment is not functioning properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving or if I choose to snorkel with equipment that may not be functioning properly.

I will not remove my floatation device at any time while in the water. I acknowledge that doing so will constitute a violation of safety rules and procedures for which I expressly assume the risk. If I become distressed at the surface, I will immediately inflate my floatation device for flotation assistance

I further state that I am of lawful age and legally competent to sign this Agreement, or that I have obtained the written consent of my parent or guardian. I understand the terms herein are contractual and not a mere recital, and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.

I, _____ (Snorkeler/Passenger), BY THIS INSTRUMENT, AGREE TO EXEMPT AND RELEASE ALL THE ABOVE LISTED ENTITIES AND/OR INDIVIDUALS FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING BUT NOT LIMITED TO THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.
